

Scholarship for Ukrainian Health Lawyers Second Call

The European Association of Health Law (EAHL) is awarding two scholarships for researchers in European health law from Ukraine

As a sign of solidarity with the people of Ukraine, the European Association of Health Law (EAHL - <https://eahl.eu/>), is awarding two scholarships for Ukrainian scientists. Study visits to universities, situated in Council of Europe-countries or non-university research-institutions are funded. They are intended as start-up or bridging grants, possibly in combination with other grants (see below).

Scientists in Health Law with Ukrainian citizenship, who conduct research in the field of European Health Law are eligible to apply. Applicants must either be PhD students or have achieved a PhD (post-doc-researcher). The host institution can coordinate the application together with the applicant.

The scholarships extend over a maximum of 5000 Euros and can cover a period of maximum 10 months. Scientists in Health Law with Ukrainian citizenship can apply informally by submitting the following documents

1. **Short letter of application** (1-2 pages) with the following information:

- a. At which institution is the study visit planned?
- b. How long is the study visit planned for?
- c. Which scientific project should be realized during the study visit?
- d. Overview of expenses. The scholarship will only cover actual expenses. e.g. travel costs, accommodation, admission fees, etc. that are not covered by other funding.

2. **Curriculum vitae** (English) naming the most important publications (max. 5)

3. **Confirmation from the host research institution** that the applicant will be able to study in the specified period, that the appropriate equipment is available (e.g. workplace, access to the library and basic equipment) and that it does not provide any other funding covering the same costs of the study visit (e.g. employment, project funding).

Applications must be submitted to the EAHL-Administration (address below) by 15 November 2022. If there are more than two applications that fulfils the requirements, a selection will be made by the board of the EAHL.

If no eligible applications are received, students can apply for scholarship for studies from 5-10 months within health law for a maximum of 25 000 Euros, covering only actual expenses. e.g. travel costs, accommodation, admission fees, etc. that are not covered by other funding

The EAHL is aware that the scholarships can only be a kind of start-up financing. Those awarded a scholarship, are obliged to write a half-way and final report, which must include invoices for the expenses to be rewarded by the Association. A short report of the stay should be written when completed, and a summary of this will be published in the association's newsletter.
