Denmark

**Professor
Richard Ashcroft**
Queen Mary, University of
London, UK

**Schuster Building,
The University of
Manchester,
M13 9PL**

About the event

As the noise surrounding worldwide health inequalities grows louder, a global network of active researchers has been striving to build a roadmap for this sector.

This conference spearheads the legal arguments arising from the disrupters emerging in healthcare technology that could help level the playing field.

In addition to keynote and breakout presentations from world-leading experts, there will be a drinks reception in the Schuster Building, The University of Manchester on 13 June, and delegates are invited to attend a networking dinner at The Crowne Plaza, Oxford Road on Friday 14 June for an additional fee.

A pre-conference PGR day will be held on 12 June 2019. Contact ajmal.mubarik@postgrad.manchester.ac.uk for more information.

This event has been approved by the Federation of the Royal Colleges of Physicians of the UK for 18 category 1 (external) CPD credits.

Abstract/poster submission: **1 May 2019**

Cost: **£200**

PGRs/ECRs/Members of WAML and EAHL: **£150**

Registration closes: **15 May 2019**
